Student Council News

Irish Cancer Society Fundraiser

We recently asked all classes to cast their vote from a list of local charities for our upcoming 'Crazy Hair Day' fundraiser later this month. We counted up all the class votes. Most people in our school chose to give their vote to The **Irish Cancer Society**.

We would like if all the pupils could start planning their crazy hair styles for our fundraising day on **Friday, November 26th** and bring some money to school that will go directly to **The Irish Cancer Society**. The previous Student Council committee held a very successful 'Crazy Hair Day' two years ago and we hope this year's fundraiser will be even better! **Good luck planning those 'crazy' hairstyles!!**

We are delighted to be renewing our Active School Flag this year. An active school is a school where physical activity is valued, promoted and enjoyed by all. Over the next few weeks and months we will be carrying out various active school challenges in the classroom, in the playground and at home in order to renew the active flag. We look forward to your support in securing our Active School flag.

Anti -Bullying Week 8th to 12th November

Following on from Friendship Week, we held Anti-Bullying week where we aimed to focus on kindness throughout the school. The isolation of the last year has underlined how small acts of kindness can brighten the lives of the people around us.

We learned about how to cope and developed some strategies if we observe or are part of bullying behaviour. We learned that bullying behaviour is consistent, over time and not a “once off incident “.

Attendance

This year again our top priority is everyone's health. We thank you all for all the precautions you are doing by keeping children home who are unwell, getting GP advice and observing all the guidelines around isolation etc. It will mean attendance figures will be low. If we keep each other well we are doing the right thing.
