ACTIVE HOMEWORK CHALLENGE

2019 JANUARY 2019

We are delighted to sign up for the Clare Sports Partnership Active Homework challenge. This year's programme will run in January over a three week period, with each child completing some form of 'physical activity' outside of school hours as part of their daily homework. This can be Clare Sports Partnership recommendations, chosen by the teacher, or left up to the pupil themselves. All pupils have received a record diary to complete. All participating schools are then entered in a draw, where two schools will be randomly selected for 5 free tutored hours of physical activity for their school.
